# ABOUT US

SpellBee International is an educational research organisation which is serving 3000+ schools with its well-researched, organized and top-class English language development products and has certified over a million students on vocabulary development in the past 11 years.

## WHAT DO WE DO?

- ✓ We **DEVELOP** linguistic abilities in children at the grass-roots level to appreciate, and analyse the role of language in everyday life.
- ✓ We **SIMPLIFY** complex linguistic concepts so that children not only **KNOW**, but also **USE** the words.
- ✓ We **ENCOURAGE** systematic learning of the language from the basics: from formation of roots, pronunciation, word combinations, contextual clues, sentence formation, comprehension and reasoning, to presenting arguments and having debates/discussions.
- ✓ With SpellBee International as their learning partner, acquiring encyclopaedic knowledge is a given!

## VISION

To make Language Learning a joyous process and thereby help students learn complex subjects in a simple way.
